Re: Undergraduate Nursing Education Scholarships

If your nursing students are looking for additional financial assistance to support their education, then they need look no further than to the Foundation of the National Student Nurses' Association (FNSNA). The FNSNA was created in 1969 to honor Frances Tompkins, the Association's first Executive Director. Organized exclusively for charitable and educational purposes, FNSNA awards scholarships to qualified nursing students annually.

We are pleased to announce that scholarship applications are now available to obtain funding for the 2008 – 2009 academic year!

Undergraduate students who are pursuing their first degree in nursing may easily obtain information or download an application by visiting www.nsna.org – click on Foundation/Scholarships. Students may also request an application by sending a self addressed stamped envelope (\$0.75) to the FNSNA. The enclosed flyer listing eligibility criteria and application deadline has been created to post in your office and inform nursing students of this wonderful scholarship opportunity!

Awards range from \$1,000 to \$5,000. Completed applications must be received by Friday, January 11, 2008. Students are strongly encouraged to complete and submit their application to the FNSNA before the end of December 2007. Winners will be notified in March 2008. Only winners will be notified. Additionally scholarship sponsors and recipients will be recognized at the National Student Nurses' Association (NSNA) Annual Convention in Grapevine, Texas. If your school is part of a multi campus system, we ask that you pass this information along to the other campuses.
